Order:

This writ petition is filed seeking Mandamus directing the respondent No.1 herein to connect the sewage line of the premises bearing No.2-69 to 2-78 situated at Taranagar village, Serilingampally Mandal, to the public sewage line in the interest of justice.

2. None appears for the petitioners. First respondent filed counter affidavit stating that as per the application of the builder, permission has been accorded vide T.O.Lr. No. E/3016/2001 dated 01-08-2001 to construct the underground drain from Telkar Towers to existing Municipal drain, but the same could not be constructed. Since the builder/owner of the said premises has not connected the sewage channel to the existing public open drain, the inmates of the apartments have submitted a representation, expressing their difficulties due to accumulation of sewage water. It is submitted that acting upon the representation, the drain channel of the said premises has been connected to the public open drain on 27-11-2001; in view of the same, no further orders need be passed in the writ petition.

3. In view of the same, no further orders need be passed in the writ petition and the same is dismissed. No order as to costs.
